PETITIONS OFFICE

Applicants respectfully renew their request that the reference to nonprovisional application USSN 09/206,898 (filed on December 7, 1998, which issued as U.S. Patent No. 6,355,255 on March 12, 2002) be added to the above-identified patent application under 37 C.F.R. § 1.78(a)(3). The entire delay between the date the claim of priority was due under paragraph 37 C.F.R. § 1.78(a)(2)(ii) and the present date was unintentional.

This petition is accompanied by a substitute amendment to the specification to reference this claim of priority. Applicant previously authorized charging Deposit Account No. 19-0743 in the amount of \$1,280.00 to cover the fee for this Petition as set forth in 37 C.F.R. § 1.17(t); therefore, Applicant does not believe that any additional fees are due. If, however, an additional fee is due, please charge Deposit Account No. 19-0743 to cover this fee.

Respectfully submitted,

P. PATRICK CLEARY ET AL.

By their Representatives,

SCHWEGMAN, LUNDBERG, WOESSNER & KLUTH, P.A.
